  - \* **Building Elective-** students will explore building structures using various materials all while working together to solve challenges
  - \* **Music Elective-** students will explore rhythm and movement through music
-

## Introducing

We're excited to announce our new school management system – **RenWeb School Management Software**. We're in the process of setting up RenWeb's **ParentsWeb** – a private and secure parents' portal that will allow parents to see academic information specific to their children, while protecting their children's information from others.

All you need is an Internet-capable computer to view information such as:

- 🚩 Attendance
- 🚩 Daily Grades
- 🚩 Progress Reports
- 🚩 Report Cards
- 🚩 Discipline
- 🚩 Homework
- 🚩 Missing Assignments
- 🚩 School Calendar
- 🚩 School Announcements
- 🚩 Other Useful School Information

RenWeb has created a 5 minute [ParentsWeb Overview video](https://vimeo.com/152634570), which will give you an introduction to the system. Please watch it at your convenience by going to <https://vimeo.com/152634570>. The password to access the video is **ParentsWeb**.

Once we have ParentsWeb up and running, we'll provide you with instructions for logging in and viewing information. We look forward to your participation. Together we can improve our children's academic development and the communication between our school and your home.
