Jesus waits for us in this Sacrament of Love

"In the sacred Host, He is present, the true treasure, always waiting for us. Only by adoring this Presence do we learn how to receive Him properly."

The Blessed Sacrament is exposed in a Monstrance

What is Eucharistic Adoration?

Understood simply, Eucharistic Adoration is adoring or honouring the Eucharistic Presence of Christ. In a deeper sense, it involves "the contemplation of the Mystery of Christ truly present before us".

During Eucharistic Adoration, we "watch and wait", we remain "silent" in His Presence and open ourselves to His Graces which flow from the Eucharist ... By worshiping the Eucharistic Jesus, we become what God wants us to be! Like a magnet, The Lord draws us to Himself and gently transforms us.

In its fullest essence ... Eucharistic Adoration is "God and Man reaching out for each other, at the same time!"

The Eucharist is: Jesus truly present - Body, Blood, Soul, and Divinity!

At the moment of Consecration, during the Mass, the "gifts" of bread and wine are transformed (transubstantiated) into the actual Body and Blood of Christ, at the Altar. This means that they are not only spiritually transformed, but rather are actually (substantially) transformed into the Body and Blood of Christ. The elements retain the appearance of bread and wine, but are indeed the actual Body and Blood of Christ. This is what is meant by Real Presence: the actual, physical presence of Jesus in the Eucharist.

Christ instituted this Holy Sacrament of the Eucharist in order to remain with mankind until the end of time (Jn. 14:18).

Introducing

We're excited to announce our new school management system – **RenWeb School Management Software**. We're in the process of setting up RenWeb's **ParentsWeb** – a private and secure parents' portal that will allow parents to see academic information specific to their children, while protecting their children's information from others.

All you need is an Internet-capable computer to view information such as:

-  Attendance
-  Daily Grades
-  Progress Reports
-  Report Cards
-  Discipline
-  Homework
-  Missing Assignments
-  School Calendar
-  School Announcements
-  Other Useful School Information

RenWeb has created a 5 minute [ParentsWeb Overview video](#), which will give you an introduction to the system. Please watch it at your convenience by going to **<https://vimeo.com/152634570>**. The password to access the video is **ParentsWeb**.

Once we have ParentsWeb up and running, we'll provide you with instructions for logging in and viewing information. We look forward to your participation. Together we can improve our children's academic development and the communication between our school and your home.
