## **The RCS Newsletter**

### **Back to School Night**

Back-to-School Night was a great success this past Tuesday. Congratulations to 3<sup>rd</sup> grade and 3<sup>rd</sup> grade parents for having 100% participation. Awesome job!

### **Resurrection Sports**

Our first basketball game is scheduled for September 6<sup>th</sup>. Practices continue next week. Boys on Tuesday and Thursday, and Girls on Wednesday.

Cross-Country practice starts this Monday. Don't forget runners need a notarized physical on file to participate on Monday.

Cheerleading should be starting soon. More on Cheerleading will be announced next week.

### **Kiddie Sports**

Kiddie Sports is back to provide our students with golf and tennis lessons throughout the year. It's available to all kids VPK – 8<sup>th</sup> Grade. Kiddie Sports is a 3<sup>rd</sup> party vendor who works with the school to provide students the opportunity to learn the fundamentals of golf and tennis. All fees and registration documents are completed with and through Kiddie Sports. All lessons take place on our campus either in the gym, the outdoor recess court, or the soccer field. The lessons are from 3-4PM. Instructors pick the students up from Skipper Center after school. Parents can pick their students up in carline at 4PM after the hour lesson. Its great way to keep students active and to learn about a new sport.

## **Morning Drop Off**

Extension is free in the morning and the start time is 7:00 AM. Please do not leave your student(s) alone before 7 AM.

## **Carline**

Here are some things not to do in carline...

- Do not have your child get out on the driver's side.
- Do not have students walk in between cars in drop-off/pickup area.
- Do not have students get things out of the trunk. Students should have things arranged so they can get out on the right side. If items are needed in the trunk, please park.
- Do not smoke outside a vehicle. This is not permitted anywhere around the children while they are in carline.

Once again, let's all be safe.

## **We still need to build our enrollment for this year.**

Registration continues, it's not too late.

WE CONTINUE TO NEED NEW FAMILIES. Please feel free to market our school to your family and friends and receive a \$150 gift certificate per student from Publix if the student(s) start attending our school. Remember the best marketing tool available is word-of-mouth. When our parents, families, and friends spread the word regarding our quality of education and the value of a Catholic education, then we can trust that we can sustain and even increase our enrollment for years to come.

## **Upcoming dates...**

August 25 & 26 – Church Ministry Fair
