

GRADE 4 SUMMER READING

Please read two books that are on your current reading level. If you are not sure of your current level, you can check on the AR website under My Progress. It will show the level of the books that you have been reading. Do not go below the level of your goal, but you can go a little bit higher. Take an AR test on each book that you read. **These two tests must be taken by July 31.** AR will not be available after that date due to maintenance for the coming school year. Just remember that once you take an AR test, you cannot retake it.

This is the website to access AR over the Summer:

If you have not taken the two tests by July 31, you can read two books on **3rd or 4th grade level** and write two book reports using the book report form. These book reports will be due on the first day of school. Remember, if you take two AR tests by **July 31**, you do not have to write book reports.

****If you are a NEW student, please contact the school for summer reading requirements.****

New students only
