Huffman Catering
5102 Timuquana Road, Suite 5
Jacksonville 32210
Attn: Marie Huffman

Dear Marie,

On behalf of Resurrection Catholic School, we would like to announce that based on the results of our recent Request for Proposal, Huffman Catering has been selected and approved by the State of Florida to be awarded the NSLP contract for Resurrection Catholic School.

This contact is effective this school year whereas this letter serves as the award notice of the contract and serves to let the Resurrection school community know that our National School Lunch Program will be contracted and serviced by Huffman Catering starting with the 2022-2023 school year.

Resurrection Catholic School is looking forward to entering this relationship with Huffman Catering in providing our students with healthy and nutritious breakfasts, lunches, and snacks on a daily basis for years to come.

Once again, we congratulate Huffman Catering for being awarded our contract and we look forward to the great service you will provide us and especially our students as we start our new school year.

Sincerely,

A handwritten signature in black ink that reads "Timothy J. Connor". The signature is fluid and cursive.

Timothy J. Connor
Principal
Resurrection Catholic School
